CATIE requests that all available documents relating to the personal, professional, and educational background of these individuals be provided in addition to any material on post Nazi or SS activity. EDC forms are forwarded herewith as Attachment (1); please send one copy of any available material to NL and one to EE.

2. Since these individuals are either CATIE staffers, sources or contacts we request traces as indicated. All Agency Trace request forms are forwarded under separate cover as Attachment (2) to CRM and CIS for tracing the Services.

3. Munich files contain the following traces:

- a) No traces on BERTHELM, MUEHLICH or MUELLER.
- b) KLEIST is mentioned in MOLA 5308, 27 February 1951 as a close contact of CATIE's Hans Joergen DINKLER and was traced in MOLA 5390, 27 February 1951 along with other members of the KLEIST clan. A positive reply was received in MOLA 58690, 20 April 1951. KLEIST is also mentioned in a memorandum for the record in the file of Dr. Rjalmar NAE, Estonian Quisling, as having received a letter from NAE in 1952. KLEIST's name turned up again in OGRA 11604, 6 July 1962 and OGRA 11705, 2 October 1962 after he visited a contact of [redacted] The Munich reply to [redacted] as contained in BUMA 59434, 19 July 1962. Munich files contain no further information.
- c) Adalbert KUNDEL is apparently mentioned in the attachment to MOLA 930, 14 December 1949; the document is no longer available in Munich; traces on KUNDEL also appear in MOLA 19118, 17 May 1950 and NAVA 5638, 21 June 1954; we have no further information.
- d) We have a voluminous file on Bruno KAUSCHER but the latest information is June 1962; we would appreciate any new information addressees may have.
- e) As far as we know Heinrich KUNTZ is still a CATIE staffer but our latest information on him is 1960.
- f) We have a carded reference to Paul LANGE, leader of CATIE surveillance team in Cologne mentioned in the WJTCMSY damage report; we have no further information.

APPROVED:
